January 28, 2011

Dear ELPOA Member,

My family has chosen to make Erskine Lake its home since 1943. My children are fifth generation at the lake, and for a very good reason. Erskine Lake is a great place to relax and raise a family. When Michelle and I were first married, we purchased a home in a lake community. It was a nice house and a nice lake. But, it was not equal to the Erskine Lake community. After a few short years, we knew that if we were going to start a family, Erskine Lake was where we wanted to raise our children. As our family grew, with the addition of four children, I decided to be actively involved in the various clubs and activities that E.L.P.O.A. had to offer. I wanted to volunteer as much of my time as possible to ensure that my children would enjoy the same great childhood experiences in Erskine Lake that I had growing up.

The volunteers of E.L.P.O.A. take great pride in maintaining the lakes and the beauty that has kept families here for generations. Between the great job that is done by beach club, and all the family activities in and on the lakes, no child is shorted a summer-long vacation. I encourage you to volunteer what time you can and to just enjoy all that E.L.P.O.A. has to offer. I would like to thank former president Chris Meakem for his hard work and dedication over the last two years...thanks Chris!!!

Sincerely,

Anthony Catalioto
President
